Abstract

This document contains instructions and formatting guidelines for authors submitting their papers to SYSTOR 2016.

Categories and Subject Descriptors CR-number [*subcategory*]: third-level

General Terms term1, term2

Keywords keyword1, keyword2

1. Submission Instructions

Submit your file electronically, by **March 11, 2016**, at <http://www.systor.org/2016/cfp.html>.

1.1 Page Limits

- **Full papers** may include at most 10 pages of content using 10pt font, including everything except references.
- **Short papers** may include at most 5 pages of content using 10pt font, including everything except references.

1.2 Formatting

- Please use this latex template for your submission. The template complies with the SYSTOR typesetting guidelines.
- Categories and subject descriptors are required for the camera-ready version only. You can choose not to include them in your submission.
- The review process is **not** double-blind. Make sure to include the names of all authors along with their affiliation and email ID. Please refer to the sample author block in this document.
- Ensure that the figures and tables are legible. Please also ensure that you refer to your figures in the main text.

Permission to make digital or hard copies of all or part of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage and that copies bear this notice and the full citation on the first page. Copyrights for components of this work owned by others than ACM must be honored. Abstracting with credit is permitted. To copy otherwise, or republish, to post on servers or to redistribute to lists, requires prior specific permission and/or a fee. Request permissions from permissions@acm.org.

SYSTOR '16, June 6–8, 2016, Haifa, Israel.

Many readers print the papers in gray-scale. Therefore, if you use colors for your figures, ensure that the different colors are distinguishable in gray-scale.

1.3 Citations

Use hyperlinks for citations and section/figure references, and *number* citation format as following [1–3].

2. Camera-Ready Submission Instructions

- Do **not** include page numbers in the final manuscript.
- Make sure all fonts are embedded in the resulting PDF file.
- Authors will be individually contacted by ACM with instructions on submitting the rights management form. The system will also provide rights management text and a bibliographic strip to appear underneath the copyright notice. Authors are responsible for updating their manuscripts with this information.
- The finalized PDF of your paper should be labeled as *SYSTOR16-“Lead Author”.pdf*, and submitted by email following the instructions at <http://www.systor.org/2016/cfp.html>.
- The **deadline** for submitting the final paper and ACM electronic copyright forms is 11:59pm Pacific Daylight Time (PDT) May 6, 2016.

Acknowledgments

Acknowledgments are for the camera-ready version only. Please do not include them in your submission.
