Abstract

This document contains instructions and formatting guidelines for authors submitting their papers to SYSTOR 2016.

Categories and Subject Descriptors   CR-number [*subcategory*]: third-level

General Terms   term1, term2

Keywords   keyword1, keyword2

1.   Submission Instructions

Submit your file electronically, by **March 11, 2016**, at http://www.systor.org/2016/cfp.html.

1.1   Page Limits

- **Full papers** may include at most 10 pages of content using 10pt font, including everything except references.
- **Short papers** may include at most 5 pages of content using 10pt font, including everything except references.

1.2   Formatting

- Please use this latex template for your submission. The template complies with the SYSTOR typesetting guidelines.
- Categories and subject descriptors are required for the camera-ready version only. You can choose not to include them in your submission.
- The review process is **not** double-blind. Make sure to include the names of all authors along with their affiliation and email ID. Please refer to the sample author block in this document.
- Ensure that the figures and tables are legible. Please also ensure that you refer to your figures in the main text.

Many readers print the papers in gray-scale. Therefore, if you use colors for your figures, ensure that the different colors are distinguishable in gray-scale.

1.3   Citations

Use hyperlinks for citations and section/figure references, and *number* citation format as following [1–3].

2.   Camera-Ready Submission Instructions

- Do **not** include page numbers in the final manuscript.
- Make sure all fonts are embedded in the resulting PDF file.
- Authors will be individually contacted by ACM with instructions on submitting the rights management form. The system will also provide rights management text and a bibliographic strip to appear underneath the copyright notice. Authors are responsible for updating their manuscripts with this information.
- The finalized PDF of your paper should be labeled as *SYSTOR16_"Lead Author".pdf*, and submitted by email following the instructions at http://www.systor.org/2016/cfp.html.
- The **deadline** for submitting the final paper and ACM electronic copyright forms is 11:59pm Pacific Daylight Time (PDT) May 6, 2016.

Acknowledgments

Acknowledgments are for the camera-ready version only. Please do not include them in your submission.
